## **PERRICONE NERO D'AVOLA DOP – DIADE**

---

Wine made with the two autochthonous Sicilian grapes Perricone (80%) and Nero d'Avola (20%). After being overlooked for a long time, owing mostly to its low productivity levels, Perricone is now being seen in a new light. This is mainly thanks to its complex and elegant characteristics. The marriage with Nero d'Avola adds further richness in terms of fruitiness, softness and body. Thanks to this blending we obtain a dyad (DIADE), a unique wine made of two very different composing elements.

**Grape:** Perricone 80% Nero d'Avola 20%

**Alc. Vol. %:** 14,5

**Vintage:** 2023

**Residual sugar g/l:** 6,0

**Total acidity g/l:** 5,8

**Region:** Sicily

**Production zone:** Vineyards in Western Sicily

**Capacity:** 750ml

## **CHARACTERISTICS**

---

**Vinification:** Fermentation in steel tanks at a controlled temperature

**Aging:** 12-18 months in oak and steel

**Yield per ha:** 9000kg

**Colour:** Intense and purple red

**Bouquet:** Fruity yet spicy scents

**Flavour:** Full-bodied, complete, absorbing taste, with elegant tannins in the finale

## **SERVING SUGGESTIONS**

---

Best enjoyed with hearty dishes, with strong flavours, or even spicy dishes, like grilled meat, roasted meat, game and mature cheeses.

Serving temperature 18 °C
